Lifesaving/Patrols

Firstly welcome back or welcome to the club, all the yellow and red clubbies, this club would not run as smoothly without all your hard work and effort!!

This season patrols will start at 7:30am, meet in the boat shed. Please help your patrol captain and fellow clubbies by ensuring you're on time and use your initiative to find the patrol check list and start loading up the truck (Yes, you can do this without your patrol captain!!!). As they say many hands make light work. This year the times have changed so we will be on the beach by 8:00am and off the beach by 12:00, leaving once all equipment is cleaned and put away!!

Also this season we will be starting CLUB SWIMS!!!! The course and distances will vary week to week depending on conditions, no it wont all be marathon swims, some weeks may involve some running, other weeks maybe wading or even some fun relays. The purpose of this is to gain some fitness and form friendships. If you feel more comfortable wearing fins you are free to do so! Anyone and everyone who wish to participate are encouraged to meet on the beach at the patrol on Sundays at 8:00am. The club swims will start the first Sunday in November and run every Sunday for the entire patrol season. Either Steve Peraldini or I will be your point of contact for the swim.

We are looking for people who are interested in developing their skills and gaining their qualifications in ARTC, IRB Drivers, IRB Crewies and Beach Management. If you are interested please contact either Jeff Kallawk or myself.

Looking forward to seeing all your smiling faces down at Pyramids for another fun filled season!!!

Nippers

Nippers 2016/17 Season starts on Sunday 6th November 8.45.

A warm welcome to all our newest Nippers and all those returning this season! It was great to see some of you at the Open Day!

A big thank you to all the Nippers (U8-U13) that came down to the Mandurah Aquatic Centre on Sunday 18 Sep to do their proficiency swims and a special thank you to Melissa Martyn and all her helpers on the day! If you were unable to attend please can you contact Melissa Martyn (0402 610 086) to arrange your swim. Nippers who have not completed their swim will not be allowed to take part in any water activities until this has been completed so PLEASE don't miss out!

Please note that due to some technical difficulties our Nippers email address has changed! Please contact us on pbslscnippers@gmail.com we apologise for any inconvenience this may have caused.

Please don't panic if you have not yet bought your Nippers caps – these are still available and can be purchased from merchandising on the first day of Nippers (6 November 2016)

We continue to seek parents that are willing to step up and assist the Age Managers or get involved with helping us in arranging social events and the fun days/carnivals we have planned for this season. We will gratefully accept as much or as little as you are willing to give as any contribution makes a difference to the Nippers Programme so please don't be shy to get involved!

Nippers, don't forget your caps, water bottles, rashies and sunscreen and parents, remember your nipper needs to be signed in and out of all Nipper sessions and a responsible person is expected to be with your group.

We look forward to seeing you all on the beach on the 6 November 2016 to kick off a great new Nippers Season!

Bunnings Sausage Sizzle's Saturday 19 November – We need Volunteers!

Day Raffle Coles Halls Head Friday/Saturday 25/26 November

Helen Steffan is working "Lickety Split" on the Bunnings Sausage Sizzles and the Coles Day Raffle and is developing a Worthwhile Partnership's for the Club with both the Management of Bunnings, Halls Head and Coles, Halls Head

Coles in past seasons have been a major supporter of our Club through the Centro Store and we anticipate this can develop with the new halls Head Store.

Help is always handy so call Helen 0407 073 833.

Annual Surf Lifesaving Street Appeal Friday 2 & 9 December

Surf Life Saving WA will provide media promotion for this event and it will be advertised as a State wide campaign on Friday 2 December.

As in past seasons the Club will spread this over the two weekends to maximise fundraising opportunities. The Street Appeal can be a major fundraiser for the Club, and with a good effort up to \$10,000 can be raised. This is reliant on a good number of people (Approx. 30 Club Members/Tin Shakers) being at Key Locations such as liquor outlets, shopping centres. Ideally where large numbers of people gather. The Club has booked all the regular spots but is always open to new places and ideas.

It is important to note our club has an agreement with the Mandurah SLSC to broadly remain south of the Bridges bar a couple of agreed locations in the CBD of Mandurah.

Contact Murray Horbury 0417 185 315 for further information

The Club is pleased to report that CHANNEL NINE NEWS will again support the Club (\$10,000) for the 2016/17 season and will focus on activities with the Nippers and Youth component of the club. It is expected they will conduct a Fun day for the Nippers early in the coming season.

Equally important is our other major partner FLORIDA BEACH this also worth (\$10,000) per season to the Club.
